WELCOME TO ST. ANDREW'S PRESBYTERIAN

We are grateful you've chosen to worship with us today! St. Andrew's is a place where all kinds of people come together for a common journey – one of seeking, discovering, and sharing God's love in Jesus Christ. No matter where you are on your spiritual journey we would be privileged to walk with you along the way. Whether you need a safe place to ask questions, find encouragement, learn about mission opportunities, or you need to find some solace in your busy week – we are here, and we look forward to meeting you.

St. Andrew's is a community where you will be encouraged to know and follow Jesus more deeply. Our stated mission is encouraging each other daily to follow Jesus and love the world. We seek to represent Christ to the world in an authentic, non-judgmental way, so that others may know the depth of His grace and come to know Him as Savior and Lord. As a part of our witness, as a church centered near Rice University and the Medical Center, we are also a community that takes God and science seriously. We have numerous science and faith programs each year. Each of these programs is designed to help us as the church to engage our world in this important ongoing dialogue between science and faith.

We also value community and the blessing of being part of a church family. We support each other. We lean on each other. We live life together here at St. Andrew's: From worship, to weekly discipleship HomeGroups, to serving our community, to spending time together socially, St. Andrew's is a church that seeks to engage the whole person in an exciting process of merging faith and everyday living.

If you're looking for a church home, I realize it can take time to discern which church God is calling you to join and I encourage you to take that process seriously. If there's any way I can be of help in that process, or in any other way, please don't hesitate to email me. I would love to get together over a cup of coffee and talk about the kind of community St. Andrew's has become for me and my family and answer any questions you may have.

I look forward to meeting you soon!
Jeff Smith, *Pastor*

WORSHIP AT ST. ANDREW'S

Gathering for corporate worship is an integral part of our faith journey and a meaningful expression of our love for God. Knowing that different worship styles resonate with people's hearts in numerous ways, we purposely strive for a combined approach to worship. A combined style celebrates the strengths of each style rather than blending them into something less impactful. With that in mind, we craft each service with elements of both traditional and contemporary including music, various styles of prayer, and the use of videos.

On the first Sunday of the month, when we celebrate Communion, worship tends to be more traditional with our Chancel Choir while still including at least one contemporary element. Second and fourth Sundays are usually led by our worship team who loves to include well-known hymns in addition to new and powerful contemporary music. The third Sunday of the month is usually led by the St. Andrew's Strings sharing music from all musical genres and partnering with other music groups at St. Andrew's. Our prayer is that there is something in every worship service that inspires you and draws you closer to God.

ORDER OF WORSHIP

As a courtesy to other worshipers, please silence all electronics during the worship service.

THE LORD'S PRAYER

Our Father, who art in heaven, hallowed be thy name.

Thy kingdom come, thy will be done, on earth as it is in heaven.

Give us this day our daily bread, and forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil.

For thine is the kingdom and the power and the glory forever. Amen.

Losses Along the Way: The Role of Grief in our Spiritual Journey

Dr. Virgil Fry, friend of Sue McLeod and Jim Gill's, will lead a Bereavement Retreat on Saturday, November 4th from 9am-2:30pm with lunch included. Dr. Fry is currently a Director at the Institute for Spirituality and Health. Dr. Fry has ministered for many years as a chaplain at M.D. Anderson and has authored two books on grief.

When we met with Dr. Fry to plan this retreat, he emphasized that losses include loss of health, loss of a job, a divorce or loss of a loved one. Please consider coming to this important offering and invite others to come as well. RSVP to Jim Gill at jim@sahouston.com if planning to attend.

Giving

Gifts to the Operating Budget provide the resources needed to carry out our various ministry activities, pay our staff, and maintain our building. In addition, St. Andrew's takes missions very seriously. We "tithe" approximately 10% of our operating budget to support our external ministry partners both here in Houston and throughout the world. Such contributions also, either directly or indirectly, support the work of our branch ministries, such as the Children's Place Day School, Building Blocks, and the School of Fine Arts (SOFA).

Personal Bank "Bill" Payment option through your personal bank's online banking website. St. Andrew's prefers for members who give regularly set up a recurring (e.g., weekly, monthly, quarterly) payment. This allows us to have a consistent source of funds even during the lean holiday and summer months when many of our members are out of town. With such recurring contributions, you may change the amount of the payment or cancel it altogether at any time.

ShelbyNext secure, online giving: one-time or recurring payments (use the QR code to the right).

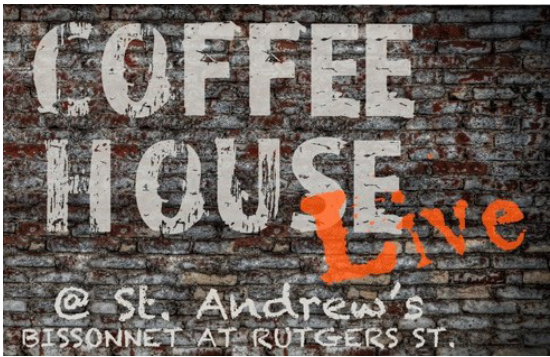

Checks or cash may be placed in the offering plate, delivered to the church office, or mailed to:

A THANK YOU LETTER FROM PETE AND DONNA OWENS

** THANK YOU LETTER TO YOU, HOUSTON **

Ladies and gentlemen,

We love you! We appreciate you beyond words! To say we were nervous on the day of the first Coffee House in 2013 is a huge understatement! We were sweating bullets. Would anyone come to the show? Would we be able to put together an evening of live music connection as we envisioned? Ten years later, we can say it has worked out better than our wildest dreams. You have made the program all that it has become through your good will, your attendance, your donations and your word-of-mouth promotion about the shows that you were excited about seeing. We simply love live music, and the way it lifts our spirits, regularly. We simply had a vision to share that with many of you (some already knew, others were new to the power of live music).

For fun in our tenth anniversary year, we have looked back and taken stock of what has been produced: 50+ Shows ... 140+ Artists ... 10,000+ Attendees ... 7,500+ Cups of Coffee served ... 5,500+ Cookies served ... 7 KPFT Interviews ... 5 Chronicle write-ups (and countless mentions) ... As we approach September's show this fall with Sara Hickman, we are excited! The summer heat will be winding down, even in Texas, as we start to point towards fall. A change of season is always welcome. It provides a time for something that exists to wind down and something new to begin. That is a big theme for us right now as we close out a very special year. We feel proud of hosting the program for ten years.

We want to close out this year with a special show! And so, to express our sincere gratitude for your patronage for these ten years, we can now announce that our special 10th anniversary year-ending show will be the one-and-only Alejandro Escovedo and band, November 02! We're really looking forward to seeing you all for this one.

We've been asked about the 2024 line-up. As we approached the tenth-year anniversary, we wondered if we would be able to make the milestone given the state of the world at the time. And, we did -- with what we think was our greatest year of music/artists to date! And continued/awesome support from you. Now that we have been blessed with this milestone, we asked ourselves the big question - when we should plan to wind down the program. Our goal is ensuring it doesn't turn stale and lose its following. We've all seen programs that aren't well planned and fall apart slowly over time or fade away. We don't want Coffee House Live to end that way. The ending we liked best was going out with a big finish. We are sure the program would not remain at the level it is now for another ten years. With many factors in mind, we decided to close out our Coffee House Live program with our last show of this year.

Thank you, Houston. For 10 amazing years. YOUR SUPPORT made this possible. We will be sad to see it end. We look forward to seeing all of you in the audience as we wrap up 2023! This is our grateful Farewell For Now message. Who knows what the future will hold, for all of us. We encourage you all to patronize the many great live music venues in our fine city to continue to heal through music. We'll be there, so, we will see you out there. "One good thing about music, when it hits, you feel no pain!" -- Pete & Donna

“And pray in the Spirit on all occasions with all kinds of prayers and requests.”

WHO WE ARE

***We are a welcoming community of broken people,
learning to be loved by Jesus so we can love like Jesus.***

We are a welcoming community of broken people - God knows we are imperfect, flawed, broken people with no part of our lives untouched by the consequences of sinful attitudes and actions opposed to God's will for us. We gather together knowing that by ourselves no one is right with God, not even one (Romans 3:23). We also know that God created us good and in God's image, which is ultimately restored to wholeness through his Son, and God accepts us as right with God through what Jesus has done for us. So we have no basis for pride or pretence, and every reason to be humble and authentic before one another, because we are all received and become whole only by God's grace (Ephesians 2:8, Galatians 2:20-21).

learning to be loved by Jesus - In following Jesus, we learn to receive continually God's forgiveness and grace through him. We cannot truly live apart from the renewing, identity changing power of his Spirit filling us to overflowing (John 4:14, 7:37-38). Apart from Jesus we can do nothing (John 15:5). All those practices that put us in a place to be renewed in our relationship with God as God's adopted, beloved children, to receive God's love directly and through others in community remind us of who we truly are. Being God's people comes before doing God's work. We cannot give or live out what we are not regularly receiving.

so that we can love like Jesus. - This is the mark of being followers or disciples of Jesus, that we love with the same tenderness, compassion, "toughness" and intensity with which Jesus loved his disciples and the world (John 15:12-13). We give our lives away to love, serve, and restore people and systems in the world to God. We extend the reach of God's just and gracious rule in the lives of people as we notice and join in what the Spirit is doing to make "your kingdom come, your will be done on earth as it is in heaven" (Matthew 6:10).

Opportunities to Serve at St. Andrew's

A great way to get involved at St. Andrew's is to join a ministry team. The following page has a list of elders and the ministry teams they lead. You can email the elder using the address listed under each ministry to find ways you can get involved. Here are a few ideas:

- **Worship** team is always looking for ushers to serve on Sundays or for special services during the week.
 - **Missions** oversees the ministry partners we support and organizes our annual Navidad Market.
 - **Outreach** hosts our First Fridays, Coffee House Live and other opportunities to reach out to our community.
 - **Church Family** hosts Rutgers Street Grill, Easter Brunch and other events to care for our congregation.
 - **Spiritual Formation** oversees Adult Discipleships, Small Groups and Retreats.
 - **Youth and Children's Ministries** provide a loving space for kids to learn about God. From reading to toddlers in the nursery to chaperoning youth weekly activities or retreats, we have many opportunities for you to impact young lives.
 - **Educational Outreach** volunteer in SOFA, Building Blocks or Children's Place.

BRYAN GOWEN

I'm grateful to have been raised in a Christian home and was confirmed in the 7th grade, though I certainly "wandered" throughout my younger years. I'd say that "I got serious about following Jesus" as a high school senior. Many years later, my wife, Beth and I brought our young family from Kingwood to St. Andrew's in the summer of 1995, when I accepted the position of director of youth and young adult ministries. We came with only two of our eventual four children, who grew up at St. Andrew's. I served on staff for 5 years and quickly came to love and be loved by the St. Andrew's church family. When I transitioned from full-time ministry to the business world in 2000, we realized God had made St Andrew's our church home, so we stayed. God has led me to serve St Andrew's on a number of ministry teams and committees over the years including Missions, Children, Youth, Spiritual Growth/Education and others. In this next season of ministry, my heart's desire for us all at St Andrew's, is found in Paul's words to the Ephesians, *"I pray that out of his glorious riches he may strengthen you with power through his Spirit in your inner being, so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God."* Ephesians 3:16-19

BEVERLY BROWNFIELD

I am honored to have the opportunity to serve our St. Andrew's family in the capacity of elder. I have been a member at St. Andrew's since 2007 and a past active elder. In March 2023, I retired from a career in the furniture industry. My husband, Bill, and I have 21-year-old twins who are college seniors at Stephen F. Austin (Tommy) and University of South Carolina (Annie). Thank you for the possibility to contribute to our growth, sustain our traditions, and undertake new projects.

WINSTON REID

I am excited to join St Andrew's as an elder, as I have been a part of this church since I was born! A bit about me: I work in commercial construction and will use my knowledge to contribute to our Facilities Committee with ongoing facilities maintenance and our new day care construction! I enjoy spending time with my family and friends, walking my dog Wubbie, and playing golf.

NATASHA ERSKINE

I am a mother to my three girls, Gracie (13), Mackenzie (10) and Brinlee (8). We live in Bellaire, and the girls are very active in playing competitive club volleyball. My children are a gift and my greatest joy. I am an audit partner and the employee benefit plan practice leader at Calvetti Ferguson, a Top 200 accounting and advisory firm with offices in Houston, Dallas, Fort Worth, San Antonio, and Nashville. I received a B.B.A. in accounting from Texas A&M University, and I specialize in auditing employee benefit plans and providing consulting services relating to compliance with DOL requirements and IRS regulations.

I have served as an usher for the church since 2019, and I host a home group, the Lassies, on Sunday evenings. My girls were baptized in the church, and we have been members since 2011. The girls are active members of the St. Andrew's children's choir and the youth choir. We love and have experienced growth in our faith at Life Flight in Camp Cho-Yeh with the youth since 2018. I am looking forward to further serving the church as an elder and the opportunity to share my perspective as a working mother of three youthful girls growing up in the church. We have experienced challenges and faced difficulties, and the St. Andrew's community has always been there for us. I want to serve and give back to the church that has given so much to me and my family.

MARYANN MCGLAMERY

Hello! I'm MaryAnn and my husband George and I have lived in Bellaire, since 2007. For the past 12 years I have been a senior IT business analyst for Hanger Corp., a healthcare company focused on the orthotic and prosthetic marketplace. Prior to that I have spent my career in the software industry. When not working, I enjoy reading, listening to music, going to the theater, gardening, attending Astros games, traveling, and caring for our cat and dog. We joined St. Andrew's in 2008 and have enjoyed meeting many of you while serving as ushers. I look forward to this new role as an elder at St. Andrew's, continuing to grow my faith, and at the same time, getting to know you better.

RON STERN

I was born into a Christian family and I'm a native Houstonian. I was baptized and confirmed in the Lutheran church. I graduated from Texas A&M and served as a 1st Lieutenant in Vietnam. Cheryl and I were married in 1970 and joined St. Andrew's in 1975. We have two children, Kelly and Jon, both members of St. Andrew's. I have served as a deacon, elder, and trustee. I look forward to once again serving the congregation.

TAMI MALLET

I have been married to my husband, Mark, for 43 years. We have two children and four grandchildren. We grew up in Victoria, Texas and we both went to Texas A&M University. My degree is in computer science and accounting. We moved to South Bend, Indiana for Mark to get a master's degree at Notre Dame before moving to Houston, and we have spent virtually all of the next 40 years in Houston. We lived in Cypress and attended Winwood Presbyterian Church for the majority of our time in Houston. We moved inside the loop in 2013 and joined St. Andrew's in 2014.

I worked at Compaq Computer Corporation and Hewlett Packard for 30 years. Even though I loved my career, I decided to retire in 2015 because I felt a strong need to shift gears to focus on family and volunteer work.

We felt called to St. Andrew's, and I vividly remember Jeff's sermon, "Blessed To Be A Blessing" on our first visit. I am so thankful that retirement yielded time for me to become involved at St. Andrew's. I have worked at the front desk, served on Church Family, helped with Hurricane Harvey recovery, gone on mission trips to New Orleans, cooked for middle school trips, and hosted the high school youth at Lake Conroe. My most treasured experience at St. Andrew's has been working with a wonderful group of ladies (Team Marj) to help care for Marj Fisher in her final two years.

I am looking forward to finding new ways to contribute to the church and our community as a church elder. I want to grow in my faith, create meaningful relationships with others, and serve in any way that the church needs.

ELAINE ECKLUND

I have been a member of St. Andrew's since 2009. My husband, Karl, has served as an elder, and our daughter, Anika, is very active in youth group activities. I currently serve as the director of the Boniuk Institute for the Study and Advancement of Religious Tolerance at Rice University and conduct research about how religion intersects with science and work in our society. Along with other St. Andrew's members, I helped found the Science in Congregations lecture series to encourage public discussion on this topic, which I'm very passionate about. My family and I are so blessed to be members of this wonderful church family, and I'm honored to be nominated to serve as an elder.

TRUSTEE NOMINATIONS

RICK BOTT

My wife, Deborah, and I have been members of St. Andrew's since 2005, albeit with two extended breaks when we lived in India and Oklahoma for work. I have served many years on the Mission Committee and recently completed a three-year term on Session in 2023. I currently continue to serve on the Resources Committee and, as the Chair of the Strategic Planning Committee, am now heavily focused on executing the Children's Place expansion project. Professionally, I have had a rich and rewarding career in the energy industry that has taken us to many countries and offered us the opportunity to live in Britain, Yemen, Egypt and India. Our love for cultures and travel continues unabated in retirement. I am looking forward to continuing our faith journey in the OIKOS Wednesday -night home group and am honored to be nominated to serve as a trustee for 2024.

JOYCE RAMSEY COLEMAN

It is an honor to be asked to serve as a trustee for St. Andrew's. I have been attending St. Andrew's since 2014. Originally from Atlanta, Georgia, I have attended Presbyterian churches most of my life. I previously served as an elder in Atlanta and at St. Andrew's. As a registered nurse, I moved to Houston to work at Texas Children's Hospital. I recently retired and am committed to serve in whatever direction God guides me. I currently live in the Westbury community with my 23-year-old son, Jay, three dogs and three cats. I am active in animal rescue and foster homeless dogs through Houston Care Animal Rescue. My words to live by are, *"Rejoice evermore. Pray without ceasing. In everything give thanks for this is the will of God in Christ Jesus concerning you."* Thessalonians 5:16-18.
